**Note:** The direction of Unit #4 is rotated on each end so that the pieced unit is facing towards the center of the border.

### ASSEMBLY INSTRUCTIONS

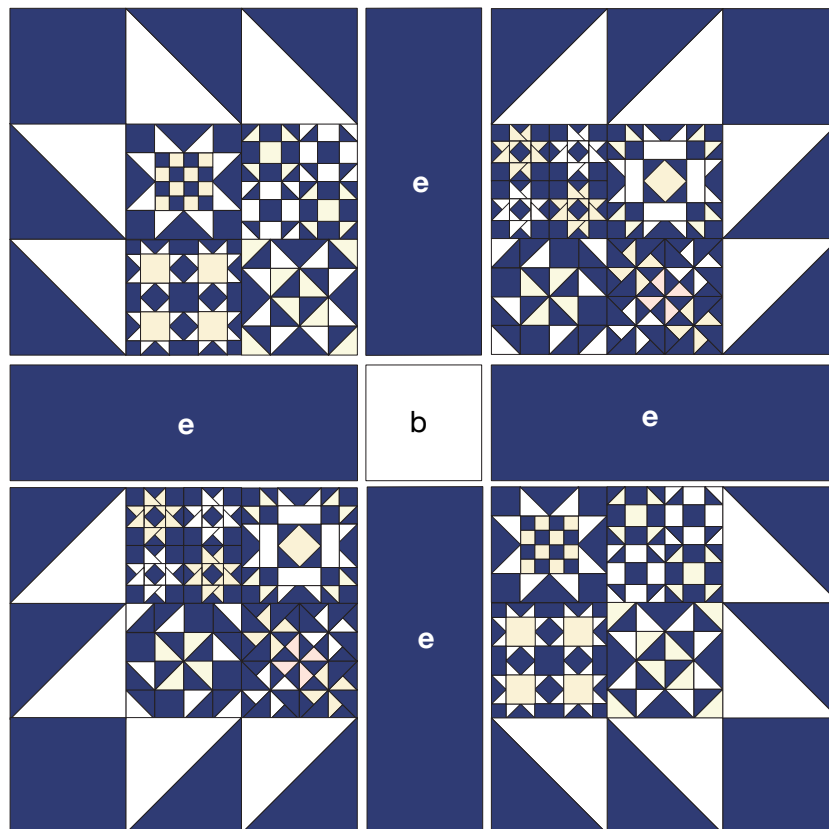

**Step 8:** Lay out quilt center as shown.

**Step 9:** Assemble inner Bear Paw quadrants using (4) pieced blocks, (4) half square triangles, and [f] square. Make (4) quadrants as shown. Press open.

**Note that you are basically making (2) quadrants of each kind/combination. You can make them identical or mirror images like below... whatever you prefer. Just use the same 4 blocks.**

**Step 10:** Using four quadrants, [b] and (4) [e] rectangles, assemble quilt center. Press towards [e].

**Step 11:** Add L/R inner borders, and then T/B inner borders. Press out.

**Important Piecing Note:** Measure your pieced borders and compare them to the size of your quilt center with inner borders attached. They should match exactly. Make any adjustments necessary to ensure a proper fit to your quilt [i.e., shorten your inner borders a tiny bit if needed, or remove and shorten a [g] piece if needed.

**Step 12:** Add L/R pieced borders as shown. Press towards the inner border. Add T/B pieced border as shown. Press towards the inner border.

**Step 13:** Add L/R outer border. Press out. Add T/B border. Press out.

## FINISHING INSTRUCTIONS

**Step 14:** Quilt as desired. We chose a small geometric all over print to make the setting shine.

**Step 15:** Bind with (8) 2 1/4" binding strips.
