

Valentine's Mystery Sew Along:

Week #2

CUTTING INSTRUCTIONS

MAIN BLOCK CUTTING

♥ From your **SECOND MAIN BLOCK fabric**:

From red or coral print:

- Cut (5) 2" strips. Cut (104) 2" squares [d].
You will be using (60) squares this week. Save the rest for a future week.

DESIGN NOTE: Be sure to read through the design & color choice notes on the blog before cutting!

♥ From your **MAIN BLOCK low volume/cream background fabrics**:

From **each** of the (6) cream prints [soft, low volumes]:

- Cut (1) 2" strip. Cut (18) 2" squares [e]* for a total of (108) squares.
*NOTE #1: These are the same fabrics you used with your hearts last week. See blog notes!
*NOTE #2: You will be using (60) squares this week. Save the rest for a future week.

ACCENT BLOCK CUTTING

♥ From your **accent block fabrics [you have not used these fabrics yet]**:

From **each** of (4) assorted cream prints [more "busy" cream prints are fine here*]:

- Cut (1) 6 ½" strip. Cut (6) 6 ½" squares [f]. You will be using (12) squares this week.
Save the rest for a future week.

DESIGN NOTE*: We chose to work with a variety of cream prints here in a mix of scale and value. See our pics for more direction in your fabric choices.

From **each** of (4) assorted light/soft pink prints:

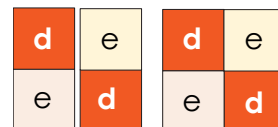

- Cut (1) 6 ½" strip. Cut (6) 6 ½" squares [g]. You will be using (12) squares this week.
Save the rest for a future week.

FOUR PATCH PIECING INSTRUCTIONS

♥ **Step 1:** Using pieces [d/e], join together to make a small four-patch unit.

DESIGN NOTE: If you are working with scrappy low volumes, you want these to be nice and scrappy, using a variety of prints and not the same print in each four patch [this is why we are piecing them individually as opposed to from strip sets].

Make (30) units.
Units will measure 3 ½" x 3 ½" square.

♥ **Step 2:** Using pieces [f/g], join together to make a large four-patch block.
Press toward pink.

Make (6) blocks.
Blocks will measure 12 ½" x 12 ½" square.
