## FIG TREE & CO

FT 4053 Countryside Cottage 55" x 62"

I hope you come and join me on the softer side of Fig Tree with my newest collection, **LARKSPUR & LINEN**... a collection inspired by our recent adventure in the rolling hills of the British countryside! Filled with print & pattern, meadows and paddocks filled with sheep, cobblestone streets and old taverns [along with lots of clotted cream and jam of course], this collection is **inspired by the sights and sounds of the picturesque villages of the English country.**

With a nod to prints and colors of William Morris, Larkspur & Linen looks to take you along with me on a small village road as I explore my love of the British countryside! And the **linen additions**... oh my, I cannot wait to **mix linens into my backgrounds, bags, home décor and more!**
