

TAPESTRY

Fig Tree & Co.

Whether the word Tapestry conjures up images of flying carpets or intricately woven textiles, this collection is a medley of exotic influences, colors and flavors. Inspired by a mix of Greek and Moroccan influences, the prints in this group transport you to far away places and take you on a colorful journey in your dreams. Rich, saturated colors such as tangerine, garnet and coral in a variety of autumnal palettes will surely appeal to both the adventurer in you as well as the traditionalist.
